4.2 The bidder must be 18 years of age or above in the case of an individual.

4.3 The bidder shall submit valid identification and address proof, PAN and mobile/contact details.

4.4 In case of a firm/company/institution, the person participating in the auction on its behalf shall produce a valid Authorization Letter/Board Resolution/Power of Attorney, as applicable.

4.5 Where applicable, the bidder shall furnish GST Registration Certificate, Firm/Company Registration Certificate, trade licence or other statutory registration documents relevant to the nature of the auctioned material.

4.6 In case of purchase of scrap for commercial/recycling purposes, the bidder shall possess all licences, registrations, permissions and authorisations required under applicable laws.

4.7 A person/firm/entity that has been blacklisted/debarred by the Corporation or any competent Government authority, or whose previous auction transaction with the Corporation has resulted in default, non-payment or breach of auction conditions, may be disqualified from participation, subject to applicable rules.

4.8 The Corporation reserves the right to verify the credentials and documents submitted by any bidder and to reject the participation of any bidder who does not satisfy the prescribed eligibility conditions.

5. INSPECTION OF AUCTIONED MATERIAL

5.1 Interested bidders may inspect the auctioned materials on the date and during the time specified by the Corporation.

5.2 Inspection shall be the sole responsibility of the prospective bidder.

5.3 The bidder shall be deemed to have inspected and accepted the condition of the material before participating in the auction.

5.4 No request for reduction in the accepted bid price or cancellation of the sale on the ground of ignorance of the condition of the material shall ordinarily be entertained.

6. AUCTION PROCEDURE

6.1 The public auction shall be conducted in the manner determined by the Corporation and in accordance with the applicable financial rules and instructions.

6.2 The bidding shall commence from the reserve/estimated value fixed for the respective lot, unless otherwise decided by the competent authority in accordance with the applicable rules.

6.3 The highest valid bid shall not automatically confer a right of purchase upon the bidder. The sale shall be subject to acceptance/confirmation by the competent authority.

6.4 Acceptance or rejection of the bid shall be communicated/announced in accordance with the prescribed auction procedure.

6.5 The Corporation reserves the right to reject any or all bids, withdraw any lot, postpone or cancel the auction, or take any other decision permissible under the applicable rules.

7. EARNEST MONEY / EMD

7.1 No separate fixed pre-auction EMD shall be payable by every bidder unless specifically prescribed by the Corporation in the final auction conditions.

7.2 Upon acceptance of the bid, the successful bidder shall immediately deposit earnest money equivalent to

not less than 25% (Rs. 76,875/-) of the accepted bid value, in the manner prescribed by the competent authority.

7.3 The earnest money shall be deposited through the prescribed payment mechanism and shall be adjusted against the total sale consideration.

7.4 The balance amount shall be paid within the period prescribed under Clause 8 of this notice.

7.5 The successful bidder shall not be entitled to take possession or remove any item merely upon payment of the 25% earnest money. Delivery/removal shall be permitted only after receipt of the entire sale consideration and completion of the prescribed formalities.

8. BALANCE PAYMENT

8.1 The successful bidder shall deposit the balance 75% of the accepted bid value, together with applicable taxes, duties, charges and other statutory dues, within 7 (seven) working days from the date of acceptance of the bid, unless otherwise specified/approved by the competent authority.

8.2 The Corporation may, in exceptional circumstances and subject to the applicable rules and approval of the competent authority, permit extension of the payment period.

8.3 No item shall be released or removed from the Corporation's premises until the entire sale consideration and all applicable statutory dues have been received.

8.4 The successful bidder shall obtain a proper receipt/payment acknowledgement from the Corporation before taking delivery of the auctioned material.

9. DEFAULT AND FORFEITURE

9.1 If the successful bidder fails to deposit the balance amount within the prescribed period, or fails to comply with any material condition of the auction, the Corporation may cancel the sale.

9.2 In the event of such default, the earnest money of 25% of the accepted bid value may be forfeited, subject to the applicable financial rules and orders of the competent authority.

9.3 The Corporation may thereafter dispose of the concerned item/lot through fresh auction or by any other method permissible under the applicable rules.

9.4 The Corporation shall also be entitled to recover any loss, cost or liability arising from the bidder's default to the extent permissible under applicable rules.

10. DELIVERY AND REMOVAL OF MATERIAL

10.1 Delivery of the auctioned material shall be made only after:

- receipt of the full sale consideration;
- payment of all applicable taxes/charges;
- completion of required documentation; and
- approval/ release by the competent authority.

10.2 The successful bidder shall remove the material within 7 (seven) working days from the date of full payment, unless otherwise permitted by the Corporation.

10.3 All expenses relating to labour, dismantling, loading, unloading, transportation, packing, lifting and removal shall be borne exclusively by the successful bidder.

10.4 The bidder shall ensure that no damage is caused to the Corporation's building, premises, equipment or other property while removing the auctioned material.

10.5 Any damage caused by the successful bidder or its representatives/workers shall be made good at the bidder's cost.

11. SPECIAL CONDITIONS RELATING TO VEHICLES

The auction includes condemned vehicles such as the Truck, Ambassador Cars, Autorickshaw and Rajdoot Motorcycle. The following additional conditions shall apply.

11.1 Vehicle condition

All vehicles shall be sold strictly on "AS IS WHERE IS" basis.

The bidder shall inspect the vehicle, including its body, engine, chassis, transmission, tyres, battery, electrical system, registration particulars and documents (if available), before bidding.

The Corporation shall not be responsible for the roadworthiness, fitness, mechanical condition or future usability of any vehicle.

11.2 Vehicle documents

The Corporation does not guarantee availability of any document that is not presently available in its records.

11.3 Transfer for road use

Where a vehicle is purchased for continued road use and is legally transferable for that purpose, the successful bidder shall complete all applicable requirements before the competent Regional Transport Office (RTO).

All applicable transfer fees, taxes, penalties, insurance, fitness, permit, registration and other statutory charges shall be borne by the successful bidder, unless otherwise specifically provided by law.

11.4 Vehicles intended for scrapping

Where any vehicle is identified/approved for scrapping rather than road use, the successful bidder shall be responsible for scrapping the vehicle strictly in accordance with the applicable motor vehicle and environmental laws and through an authorised Registered Vehicle Scrapping Facility (RVSF), wherever such requirement applies.

The successful bidder shall not use, operate, resell or otherwise put such vehicle on public roads contrary to its legal status or applicable law.

11.5 Scrapping certificate and deregistration

For a vehicle required to be scrapped:

1. The successful bidder shall complete the prescribed deregistration/scrapping procedure with the competent transport authority.
2. The vehicle shall be delivered to an authorised scrapping facility, wherever required.
3. The bidder shall obtain the prescribed Certificate of Deposit/Certificate of Vehicle Scrapping or equivalent statutory document, as applicable.
4. A copy of the relevant scrapping/deregistration document shall be furnished to the Corporation within the prescribed period.
5. No road use of a vehicle declared/approved for scrapping shall be permitted.
6. The bidder shall comply with all applicable requirements relating to environmentally safe disposal of the vehicle and its components.

11.6 Responsibility after delivery

Upon lawful delivery of the vehicle after full payment, the successful bidder shall be responsible for its transportation, custody, dismantling, scrapping, deregistration, transfer and all other consequential statutory requirements, as applicable.

12. SCRAP MATERIAL

12.1 Aluminium, iron, waste paper and other scrap shall be sold on "AS IS WHERE IS" basis.

12.2 The approximate weight mentioned in the auction schedule is for guidance only, unless specifically certified as final.

12.3 Where weighing is required, the same shall be carried out in accordance with the procedure prescribed by the Corporation.

12.4 Loading, weighing, transportation and removal of scrap shall be at the successful bidder's cost and risk.

12.5 The successful bidder shall comply with all applicable environmental, waste-management and other statutory requirements while removing and disposing of the scrap.

13. TAXES, DUTIES AND OTHER CHARGES

13.1 All applicable GST, taxes, duties, cess, fees, transportation charges, loading/unloading charges, registration charges and other statutory dues, wherever applicable, shall be borne by the successful bidder.

13.2 Where any tax is required to be collected/deducted/deposited by the Corporation under applicable law, the same shall be dealt with accordingly.

14. NO WARRANTY

14.1 The Corporation makes no representation or warranty regarding:

- fitness for a particular purpose;
- mechanical or electrical condition;
- exact weight or quantity, except where specifically certified;
- future usability;
- availability of spare parts;
- roadworthiness of vehicles; or
- suitability of any item for resale or reuse.

14.2 The bidder shall satisfy himself/herself/itself regarding every aspect of the material before participating in the auction.

15. WITHDRAWAL/CANCELLATION OF AUCTION

The Corporation reserves the right to:

1. withdraw any item/lot from the auction;
2. reject any or all bids;
3. postpone or cancel the auction;
4. modify the auction schedule;
5. seek clarification from any bidder; and
6. take any other action permissible under the applicable financial rules and Government instructions.

No bidder shall have any claim for compensation or damages on account of such withdrawal, postponement or cancellation.

16. FINALITY OF DECISION

The decision of the competent authority/auction committee in matters relating to the conduct of the auction, acceptance/rejection of bids and disposal of the items shall be final, subject to the applicable statutory rules and remedies available under law.
